

# Sussex County 2007 Comprehensive Plan Update

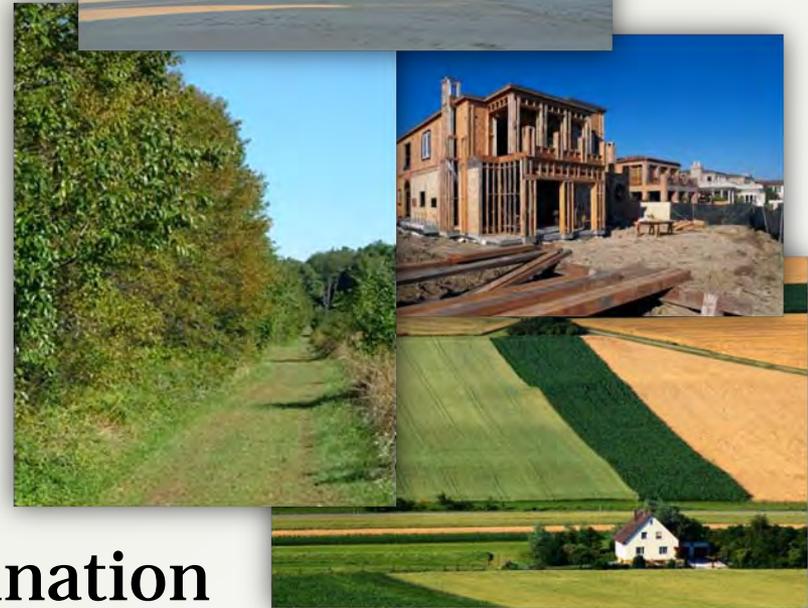

Presented by – David B. Baker, County Administrator

Greater Seaford Chamber of Commerce  
March 13, 2008

# Elements of a Comprehensive Plan

- Land Use
- Community Design
- Conservation
- Recreation & Open Space
- Water & Wastewater
- Housing
- Economic
- Historic Preservation
- Intergovernmental Coordination
- Mobility

# Conservation Actions

- Adopted Environmentally Sensitive Developing Area
  - Development requires environmental impact statement
- Open Space Program
  - Ponder Tract property purchase contribution
    - 908 acres north of Milton, \$750,000
  - Burton Farm
    - Conservation easement on 150 acres
    - \$428,000 for woodland on Beaverdam Creek, east of Milton
  - Long Neck Property Purchase
    - 2,100 acres
    - \$28 million
    - To be used in future for wastewater spray irrigation

# Conservation Actions

## County preserves more open space

By Sara Smith  
Staff Writer

GEORGETOWN — County purchased later this year, with funding coming from the state. State forester E. Austin Short III said the land is part of a larger partnership among the council, the Delaware Forest Service, the U.S. Department of Agriculture, the Sussex

- Open Space Fees for Density Bonus-
  - Cluster Developments in Growth Zones
    - \$15,000/\$20,000 for bonus density
    - Money set aside for open space
- James Farm on Indian River Bay
  - County property leased to Center for the Inland Bays
    - Used for environmental education and recreational activities
- Agriculture Protection
  - Farmland Preservation Easement Purchases
    - 2,471 acres protected
    - \$2,060,659 (County funds)
    - Collaborative effort with State
    - Sussex 1<sup>st</sup> to participate

# Recreation & Open Space Actions

- County funded \$414,000 for recreation programs in the County during the last five years
  - Youth and adult sports programs
  - YMCA
  - Boys & Girls Clubs
  - 4-H
- City of Seaford
  - \$250,000 loan for sports complex concession stand
- Coordination with Developers
  - On-site recreation and open space
  - Examples include Breakwater Trail linking Lewes and Rehoboth Beach

# Recreation & Open Space Actions

## □ Open Space Program

### ■ Redden State Forest

- \$1.5 million in County funds for 327 acres

### ■ Pepper Creek

- Cannon Tract purchased
  - \$1,293,425 for 37 acres

### ■ Oyster Rocks

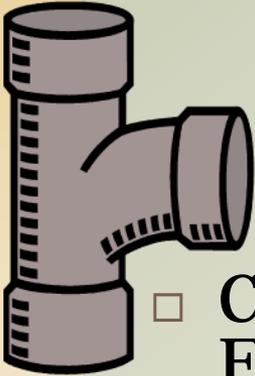

- North of Lewes on Broadkill River
  - \$600,820 toward 592 acres

# Recreation & Open Space Actions

- James Farm (County Property)
  - Managed by the Center for the Inland Bays
  - Features more than 2 miles of hiking trails, observation platforms, boardwalk beach crossing, wildflower gardens, amphitheater, informational kiosk, rest area, as well as more than 4,000 trees planted in a USFWS “Partners in Wildlife” restoration

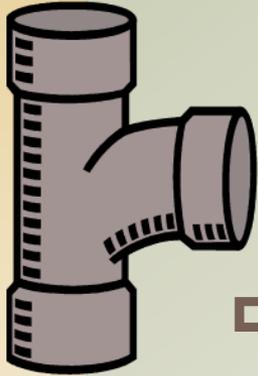

# Water & Wastewater Actions

- **County Sewer Expansion= 37.7% (16,046) increase in EDUs (2002-2007)**
  - **New sewer projects built to replace existing septic systems (2002-2007)**
    - Ellendale (483 EDUs)
    - Oak Orchard (906 EDUs)
    - Bayview Estates (182 EDUs)
    - South Ocean View ( 309 EDUs)
    - Sea Country Estates (48 EDUs)
    - Cedar Neck (1,057 EDUs)
  - **Treatment Plant Expansions**
    - **South Coastal Regional Wastewater Facility (Bethany Beach)**
      - Plant expanded from 6 MGD to 9 MGD
      - \$16 million investment

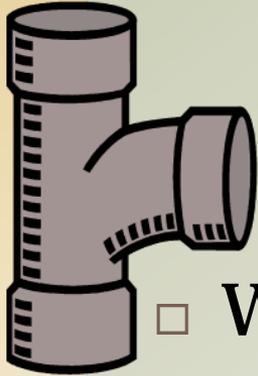

# Water & Wastewater Actions

- **New Sewer Projects Under Construction to Replace Existing Septic Systems**
  - Millville (1,567 EDUs)
  - Miller Creek (483 EDUs)
  - Pinetown (42 EDUs)
  - Dagsboro/Prince George's Acres (27 EDUs)
  - Frankford/Delaware Avenue Extension (11 EDUs)
- **New Sewer Projects Approved in 2007 to Replace Existing Septic Systems**
  - Oak Orchard Expansion #1 (775 EDUs)
  - Angola Neck (1,350 EDUs)
  - Johnson's Corner (357 EDUs)

# Water & Wastewater Actions

- **Wastewater Planning Studies**
  - Western Sussex Planning Area – \$750,952
  - North Coastal Planning Area – \$1,686,793
  - Dagsboro – Frankford Planning Area – \$352,300
- **Developer Contributions (Coordinated Efforts)**
  - Millville Sewer - \$13 million in common costs
  - Johnson's Corner Sewer - \$1.2 million toward construction
  - County requires developer assistance toward replacing existing septic systems
  - Fiscal 2007 - \$15.8 million

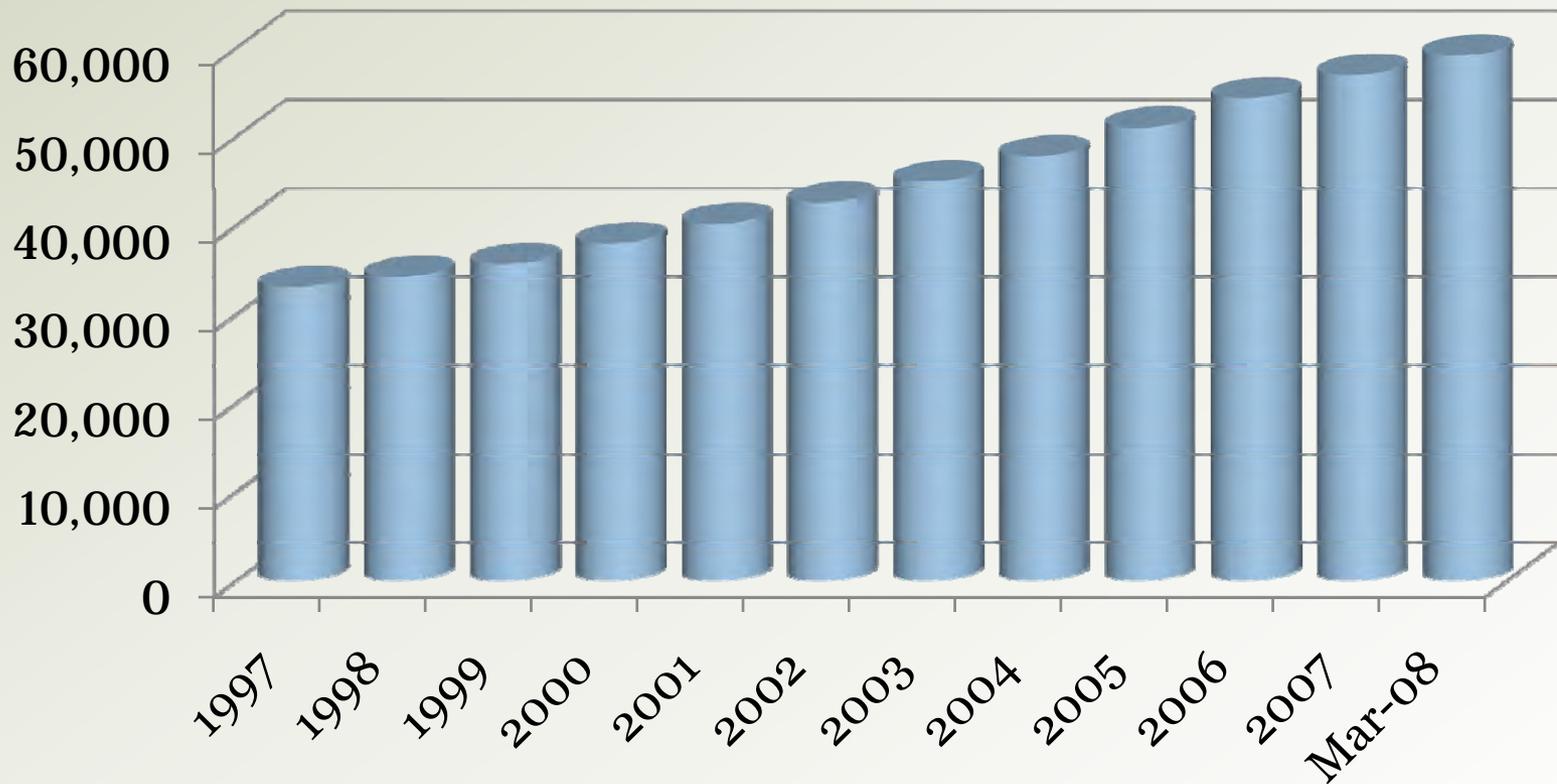

# Water & Wastewater Actions

- **Wastewater Grants (Offset Rates Charged)**
  - \$22.1 million during last five years (County funds)
  - Implemented 100 front foot maximum (County grants)
    - \$1.5 million
  - **County Relief Program**
    - Income based
    - \$375,000 last five years (septic help also)
  - **State Grants**
    - \$0 in FY07 and FY08
  - **Federal Grants**
    - Minimal

# Water & Wastewater Actions

## Sewer & Water EDUs

# Affordable Housing Actions

- **Moderately Priced Housing Unit Ordinance**
  - In growth areas – Not Level 4
  - Density bonus – 20% to 30% plus expedited review
  - Households – 80 to 125% of MHI
  - Sale price of units - \$90,300 to \$222,000
  - 20-year resale price restrictions
  - 15% of units must be MPHUs
  - Three proposals for a total of 546 units
    - Voluntary developer participation
    - New Round in 2008
  - Model for other counties
  - “Best Practice Award” – June 2006
    - From State Planning Office and Delaware State Housing Authority

# Affordable Housing Actions

- **Housing Renovation Programs  
(For Low- to Moderate-Income Residents)**
  - **CDBG – 624 homes renovated during last five years**
  - **HRLP – 14 homeowner-occupied units**
  - **HRLP – 32 investor rental units**
    - **19 Shockley Town Road, Frankford**
  - **HPG – 32 units**
  - **County contribution – \$400,000 last five years**
  - **Administration costs – \$944,176 last five years**
  - **Grants for renovation in strong communities**
  - **Grants for housing connections for sewer/water**

# Affordable Housing Actions

- **Housing Agency Partnerships**
  - **\$647,000 in grants**
    - **Diamond State Land Trust, NCALL, Interfaith Mission, First State Community Action, Milford Housing Development Corp., etc.**
    - **Habitat for Humanity**
      - **Grants of \$121,500 last five years**
      - **County property for group's operations**
      - **County donated two homes**
- **County Realty Transfer Tax Exemption for First Time Homebuyers**

# Economic Development Actions

## □ County Industrial Air Park Improvements

■ \$14.5 million

### ■ Projects

- New crosswind runway
- Apron expansion
- Security fence
- Property purchases for main runway extension
- New hangars

### ■ PATS/DeCrane Expansion Assistance

- Purchase and lease of hangar - \$3.6 million
- Edgehill building purchase/lease – \$1.5 million
- Job growth
  - 50 in 1997 to 600 jobs today
  - High-tech manufacturing with good pay and benefits

# Economic Development Actions

## □ Airframe Mechanics Training Program Partnership

## ■ County

- Purchased and renovating hangar for new program
  - \$1.2 million County contribution

## ■ Delaware Technical & Community College

- Developing curriculum

## □ Nanticoke River Dredging

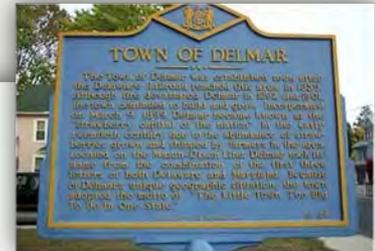

- Funds budgeted

## □ Council Approval of King Farm Industrial Park

# Historic Preservation Actions

- Grants for Historic Preservation Efforts - \$165,000
  - Fort Miles (Cape Henlopen State Park)
  - Sussex historical societies
- Historic Preservation Planner
  - Coordination with historical societies
  - Land use application comments
  - Century Farmer recorded interviews
  - Wastewater project review to avoid historic and archeologically sensitive sites
  - Coordinates with the Community Development & Housing Office in historic property improvements
  - Addresses requests from the public for historical information
  - County funds this position 100%

# Mobility Actions

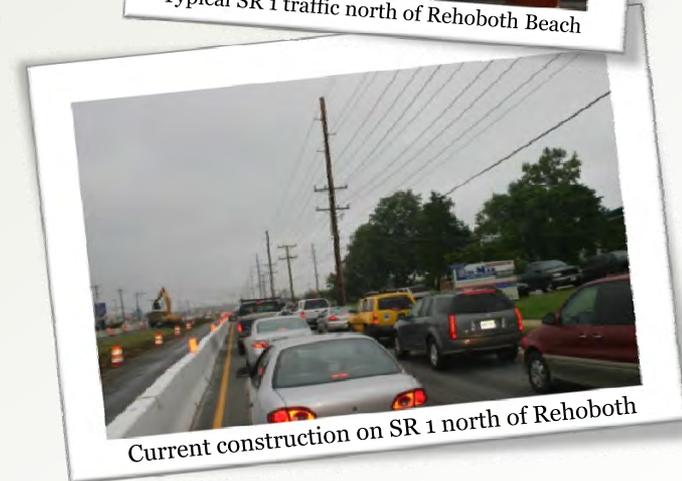

- **Highway Overlay Districts Established**
  - Routes 1, 13, and 113
  - Additional landscaping, building, and parking setbacks
- **Transit Considerations**
  - Require transit vehicles and facilities for developments when requested by DelDOT, school district, or when proffered by developer
- **Annual Capital Transportation Program**
  - **Supporting State Initiatives**
    - Indian River Inlet Bridge
    - East/West roadways and capacity improvements
    - North/South corridor improvements

# Mobility Actions

- Active Participation and Support
  - Route 1 study
  - Route 113 study
  - DART Transit Committee
  - Coordinated Human Services Transportation Program
  - Evacuation plan update

# Intergovernmental Coordination Actions

- Delaware State Police
  - County partially funds 36 state police in Sussex
    - Will increase to 52 during next five years
  - Contribution of \$1.1 million for new Adams-Ewing Public Safety Complex near Bridgeville
- Town Police Grants
  - \$998,473 during past three years to offset costs, especially those attributable to out-of-town responses

**Sussex reaches deal to add 20 state troopers over five years**  
County's share of funding scheduled to decrease each year

**Contract adds 20 troopers to County by 2013**

# Intergovernmental Coordination Actions

- **Coordination with DeIDOT**
  - Quarterly meetings to coordinate capital projects
    - Minimize traffic and commerce impacts
  - Rt. 26 improvements and County wastewater improvements
- **Coordination with DNREC**
  - Storm water study
  - Wastewater projects funding
- **Town Coordination**
  - Grant of \$15,000 to towns with less than \$20,000 in realty transfer tax per year
    - \$630,000 since FY99
  - Payment in lieu of taxes to Town of Georgetown
  - Building Code inspections for several towns
    - 14 municipalities for single-family dwellings
    - 15 municipalities for commercial, multi-family structures
  - County CDBG Office manages housing renovations for Sussex towns
  - Sussex County Association of Towns (monthly meetings)

# Land Use & Community Design Accomplishments

- **Cluster Ordinance**
- **Parking Ordinance Revisions**
  - ▣ **Reduced driveway size minimum**
  - ▣ **Reduced parking space size minimum**
- **New CR-1 Commercial Zoning Density Reduction**
  - ▣ **No longer allow residential up to 12 units per acre in CR-1 without conditional use**
- **Require Technical Advisory Committee Review for Residentially Planned Communities (RPC)**
- **Adopted Combined Highway Overlay District**
  - ▣ **Additional setbacks for buildings and parking**
  - ▣ **Additional landscaping requirements**

# Land Use & Community Design Accomplishments

- Executed agreement with State for PLUS Review
  - Applies to applications for residential developments exceeding 50 units and large commercial/industrial
- Bio-Tech Industry and Agricultural Business Ordinances
  - AR-1 Conditional Uses
- Open Space Requirements of 15% to 30% for Subdivisions

# Land Use & Community Design Accomplishments

- **Mobility Policies**
  - Sidewalks
  - Road and pedestrian interconnectivity
  - Bus shelters
- **Prohibition of Subdivision Lots Containing Wetlands**
- **Notifications of development proposals**
  - Municipalities within one mile
  - School districts
  - Fire companies
  - State Planning Office

# Tools Recommended in Draft Plan

- Purchase of Development Rights Easements
- Purchase Open Space
- Transfer of Development Rights (TDR)
- Agriculture/Industrial/Commercial Zoning
- Density Bonus Fees for Open Space
- Open Space Definition
- Special Development Tax Districts
- Sub-Area Planning
- Density Bonus for Infrastructure

# Future Land Use Map

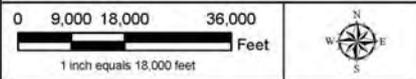

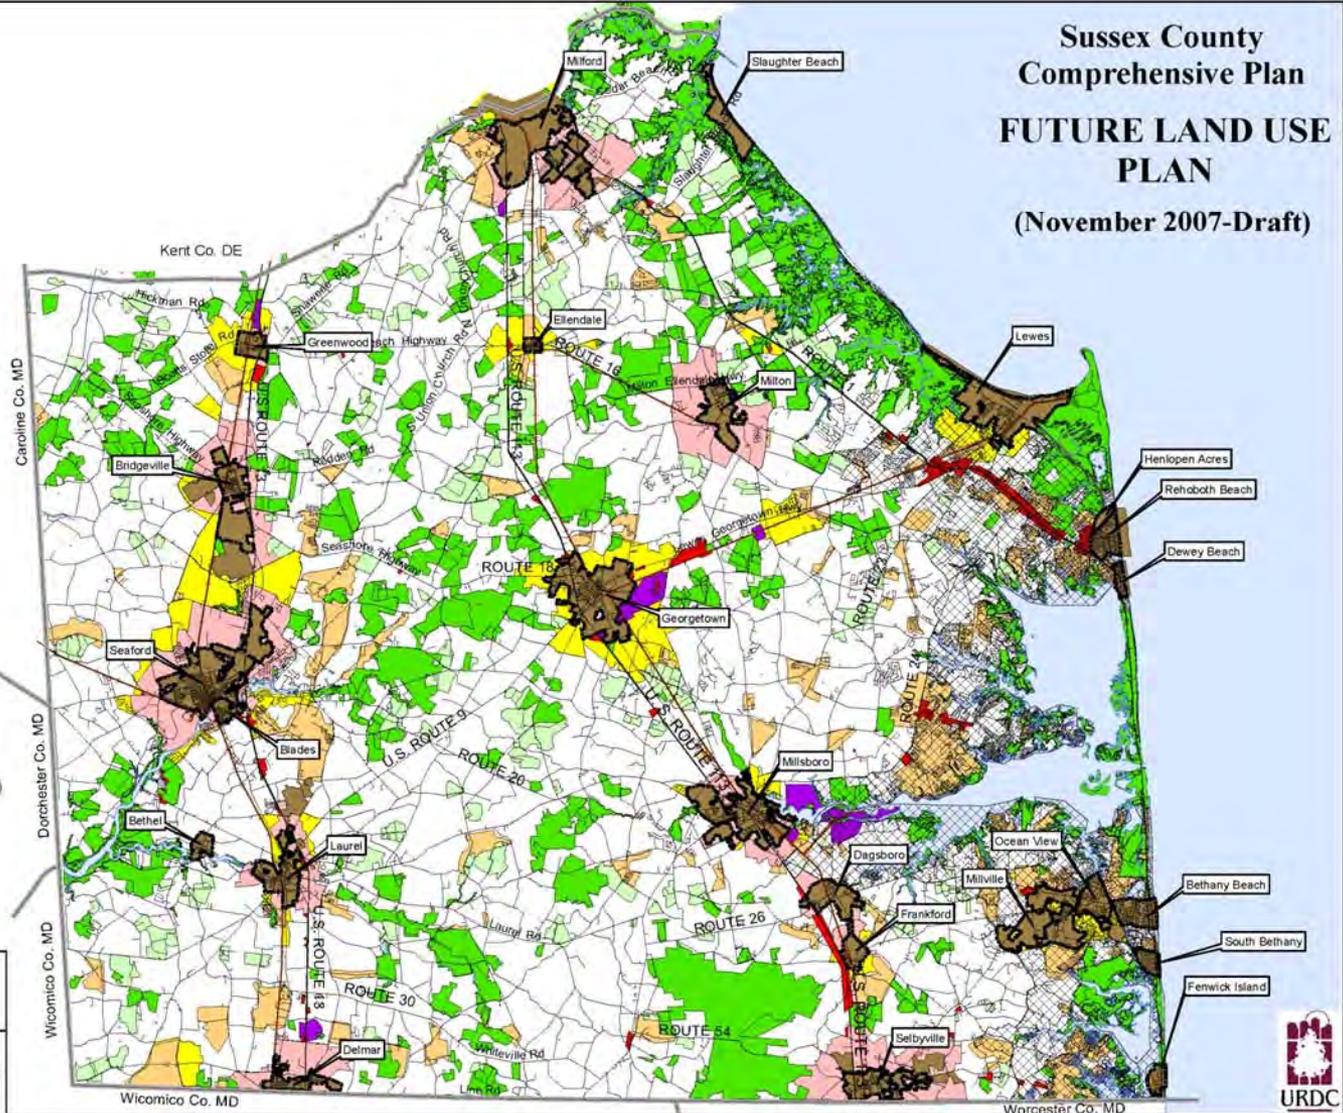

## Sussex County Comprehensive Plan FUTURE LAND USE PLAN (November 2007-Draft)

### Growth Areas

-  Municipality
-  Town Center
-  Developing Area
-  Environmentally Sensitive Developing Area
-  Mixed Residential Areas
-  Highway Commercial Areas
-  Planned Industrial Areas

### Rural Areas

-  Low Density Area
-  Protected Lands  
(All Federal lands, State lands, agricultural easements, private conservancy lands, major wetlands and lands preserved by other conservation easements)
-  Agricultural Preservation Districts Under the State Program  
(A voluntary program. Only a very limited number of homes allowed on a tract under State regulations during the time of an agreement. Participating landowners are eligible to sell development rights to the State.)

# Comprehensive Plan

## Major New Initiatives

### □ **Land Use**

- Updated Future Land Use Map
- Transfer of Development Rights (TDR)  
(pgs. 27-28)
  - Guidelines
- Open Space (pgs. 35-36, 44 & 55)
  - Strengthen definition
- Cluster “Superior Design” (pgs. 33-34)
  - Strengthen criteria

# Comprehensive Plan

## Major New Initiatives

- **Land Use (continued)**
  - Environmentally Sensitive Development Areas (pgs. 21-22 & 45)
    - Subtract tidal wetlands from tract size in determining density
  - Agriculture Business Zoning District with Agriculture/Industrial/Commercial
    - Voluntary without residential (pg. 25)
  - Density Bonus
    - Possible for major road improvements in developing areas (pgs. 20-21)
  - Address Overlay Zone legal issues (pg. 21)
  - SRA Map (pgs. 30 & 44)
    - Acquire SRA land and document SRAs on development applications
  - Voluntary Agriculture Zoning District
    - Nuisance protections, limited residential

# Comprehensive Plan

## Major New Initiatives

### □ **Conservation**

- Preserve More Land
  - Easements and acquisitions (pg. 44)
- Adopt Wellhead Protection Ordinance (pg. 45)
- Green Stormwater Management Techniques (pg. 45)
- Strengthen Forested Buffer (pg. 46)
- Promote to Public a Sussex County Land Preservation Guide (pg. 45)
- Environmentally Sensitive Development Areas
  - Maximum allowable impervious surface
  - No “*TDR*” density transferred in
  - Incentives for “*Super Green*” buffers from waterways and wetlands
- Natural open space within developments
  - Easements requiring marking and maintenance

### □ **Parks and Recreation**

- Recreation Facilities and Multiuse Trails
  - Require for larger developments (pg. 55)
- Green Ribbon of Preserved Land
  - Continue County practice of purchasing open space/easements with Green Ribbon goal (pg. 55)
- Park/Recreation Endeavor
  - Consider on case-by-case basis (pg. 55)

# Comprehensive Plan

## Major New Initiatives

### □ **Water and Wastewater**

#### □ Private Wastewater

- Develop County approval process (pgs. 72-73)

#### □ Continued Expansion of Public Sewer

- Handle existing development and coordinate with land use through Planning & Zoning (pg. 73)

#### □ Source Water Protection Ordinance (pg. 58)

### □ **Housing**

#### □ Moderately Priced Housing Unit (MPHU)

- Monitor and make changes [i.e. additional developer participation] (pg. 80)

#### □ Establish “*MPHU*” program for rentals

#### □ Housing Programs

- Continue CDBG housing rehabs, other housing agency grants and cooperative efforts through non-profit partners Habitat for Humanity and West Rehoboth Community Land Trust (pg. 80)

# Comprehensive Plan

## Major New Initiatives

- **Economic Development**
  - County Industrial Airpark Improvements
    - Continue projects to expand and improve (pg. 89)
  - Economic Diversification
    - Continue to establish and expand industries, i.e. aviation, that complement agriculture, tourism, retail (pg. 89)
  - Employer/County Partnerships
    - Continue to promote education and training (pgs. 89-90)
  - Preserve and Encourage Agriculture (pg. 89)
    - Purchase of development rights
    - New Agricultural/Industrial/Commercial zone
    - Complementary businesses
  - Economic Target Market Analysis
    - Seek higher paying employers (pg. 90)
  - County Economic Development Committee
    - Recommendations to improve job market
    - Broad-based – including local chambers, towns and the County

# Comprehensive Plan

## Major New Initiatives

### □ **Historic Preservation**

- Review Historic Property Demolition (pg. 101)
- Promote Review of Historic Properties by Towns (pg. 101)
- More Historic Information Gathering and Sharing (pg. 100)
- Establish Historic Character as Criteria for Variances and Conditional Uses (pg. 101)

# Comprehensive Plan

## Major New Initiatives

- **Intergovernmental Coordination**
  - Greater Coordination with Towns (pg. 106)
  - Stormwater Control (pg. 108)
    - Promote best management practices
  - Continue and Expand Coordinated Efforts (pgs. 106-107)
    - State Police contract
    - State/Federal wastewater funding
    - CDBG program
    - Preserve more Sussex farms
    - DelDOT projects
    - PLUS Process

# Comprehensive Plan

## Major New Initiatives

### □ **Community Design**

- Promote Traditional Neighborhood Design (pgs. 109-115)
  - Shallow yards, porches, trees along streets, sidewalks, garages on alleys
- Development Interconnectivity (pgs. 112-113)
  - Link open space, trails, bike paths
- Commercial Buffers (pg. 114)
  - Wells buffered from housing
- Cluster Developments (pg. 117)
  - Open space definition, strengthen
- Impervious Surfaces (pg. 119)
  - Minimize and promote pervious pavement
- Encourage Green Architecture and Site Design (pgs. 118-120)
  - Direct runoff to recharge areas, optimize vegetation coverage, etc.
- Signs (pg. 121)
  - Revise regulations

# Comprehensive Plan

## Major New Initiatives

### □ **Mobility Element**

- Sub-area Planning (pgs. 148 & 156)
  - Partnership with DelDOT to encourage developer contributions
- Special Development Tax Districts (in process, although not in Draft Plan)
  - Assist in transportation infrastructure funding
- Travel Alternatives (pg. 153)
  - Policy for sufficient pedestrian network and bicycle use
- Evacuation Routes (pgs. 150-151)
  - Assist in revisions and information distribution
- Support DelDOT (pg. 148-151)
  - Prioritizing and improving road infrastructure
    - North/South and East/West corridors, Indian River Inlet Bridge, etc.

# Comprehensive Plan

## Major New Initiatives

- **Implementation**

- ▣ Update Zoning Ordinances Immediately (pg. 107)

# The Latest

- County has issued PLUS response to State comments (available online at [www.sussexcountyde.gov/compplan](http://www.sussexcountyde.gov/compplan))
- Staff appeared before Governor's Advisory Council on Planning Coordination on Feb. 29
- Generally favorable reception from State; some members praised County's response as "solid"
- Comprehensive Plan Update draft revised to include more detail, tighter language and highlight various concepts and initiatives, including:
  - Voluntary Agriculture Preservation and Agri-Business Districts
  - State Resource Area maps and guidelines
  - Affordable rental housing program
  - Voluntary TDR program
  - Deletion of wetlands from lot size calculations
- Next step is public hearing stage
  - 6 p.m. April 3, 2008, CHEER Center in Georgetown (Planning & Zoning Commission)
  - 6 p.m. April 22, 2008, CHEER Center in Georgetown (County Council)
- Plan scheduled for adoption by April 30; moves on to Governor for certification
- County staff and consultant draft, bring forth ordinances necessary to implement Plan
